“ Dear Lorna and family... my wife and I are so very saddened that we will not get to see Myron's smile nor hear his laugh until we are reunited again. I fortunately reconnected with Myron in 2010 for the first time since my NT graduation in 1974 and I am so very glad we did. In the last 14 years, I saw Myron's passionate efforts to assist the NT Football Hall of Fame in any way he could. He worked so hard to raise money for the NT Football program, even finding a vendor a few years ago to create replicas of NT football helmets, custom stickers and bumper stickers to show support for the Lumberjacks. Every penny of the proceeds were earmarked for the NT Football team's program and equipment. Myron attended numerous NT events day and night, sharing printed information about the fundraiser. He worked so very hard for the benefit of others. Because of his passion for NT and NTHS, Myron was one of the key members of our NTHS Wall of Fame Improvement Project. Myron went above and beyond to assist us with project fund raising, with finding photos and newspaper articles for us to include on the windows of the high school and the touchscreen system installed at the school. We were at the height of the pandemic so much of Myron's work was done remotely, but that never stopped him from his tireless efforts to make our project a success. We will forever be grateful to Myron for his efforts for the good of current NTHS students, his commitment to our hometown and for his energy and creativity. He was a wonderful, thoughtful friend and we will miss him very much. 🥹🙏❤️ John & Kathy Baran

“ Thanks for your friendship Myron and your passion. Prayers for all your family.

After making a death-defying comeback, I had no idea that Myron was at risk of such a sudden turn-around. It was at the start of summer he walked with me at Riverside Park and we even tossed the football a few times. I will miss him very much, but will still want his support looking out for us!

We had played together on the Lumberjacks and way back to Tiger Cats and Cubs, where his colorful Dad helped coach. Myron was also a colorful guy: easy-going, reasoning, well-meaning and funny. He welcomed me back to the area and was as encouraging to me as when we were still playing ball. He may have been instrumental to getting me voted into NTs Football HOF, and he introduced me at the dinner ceremony. He took me along when he videotaped NT varsity games for the team and eventually even had me filling in for him a bit. He, John Baran and I have been working among others on the HOF's induction committee for the upcoming 2025 year.

He shared his ever-growing family with me. He and Lorna were a steady mix of intelligence and humor, and I enjoyed watching a lot of movies with them in their home.

He was a big believer in the positive values of strong football programs, whether NT Tigers, NT Lumberjacks (big booster), UB, Notre Dame, or Buffalo Bills --so we enjoyed a number of football games too.

Bill, So saddened by the loss of our dear Friend ... thank you for sharing your fond memories of our Lumberjack brother. He cared so much about the NT Football Hall of Fame, the NT High School Football program, his family, friends and very importantly, his strong Faith. We lost our dear friend Myron way too soon. 🙏❤️

Thx John. We did lose him soon. In his passing, I'm seeing more clearly what he has done, his purpose, and his determination -as you say, an outgrowth of his strong faith. I think he's drawn me in a little closer to that. It has also been special to be teamed up with Myron and you.
