“ *Trish, my thoughts and prayers are with you and your family at this terrible time of loss and sorrow. Words might bring little comfort at this time but knowing that she is cancer free is something to rejoice.*

She was so strong and will forever be strong in everyone's eyes.

God bless you all,

“ My heart goes out to her family and her loved ones. She was loved by all and adored by more. For many many years she was a big part of our online WAH sisterhood. Her strength and beauty will always be remembered. Her love of life and her family brought out a fight in her like no other I've ever seen. What an amazing and truly beautiful woman she is, was and always be remembered for. I will miss her deeply.

“ Nancy became a WAH sister, and immediately became a special friend for us all. We as a group will miss her terribly, we have lost a part of us.

She was a very special lady, who always had a kind word for everyone. Even with her own struggles she was ALWAYS there when anyone needed her. Her thoughts and prayers were with anyone who needed them, even when she was not feeling up to being online with us. Our thoughts and prayers are with her family as they go through this difficult time. Nana, you will be missed!
Love,
Nancy

“ God saw you getting tired
when a cure was not to be,
so He closed His arms around you, and whispered, " COME WITH ME."

You, didn't deserve what you went through, and so He gave you rest. Gods garden must be beautiful, He only takes the best. And when, I saw you sleeping, so peaceful, and free of pain, I couldn't wish you back, to suffer that again...

“ We were the mother in-laws, but started out as freinds...
I will always remember the good times we had playing cards, bingo,
or just talking.I will never forget the time we shared a holiday
together, on Walden Ave. Her sense of humer, was great, some one
asked to pass the basket of rolls, well, nancy just tossed one over...
we laughed,and laughed.. I will always admire her courage, and
humer, all my days, i only wish that i had spent more time with her..
She was a straight and to the point kind of person, and always told it
like it was... I loved that about her... she made everyone feel like
family, especially my daughter, and grandson, I WILL NEVER
FORGET IT..I will keep you in my prayers and thoughts,and i will
always remember out talk, that friday night, that i came to see you, i
know in my heart, that you heard me, because you started to breath
sooo very differantly... i meant every word i said... I only hope that
you rubbed off on your family, and they become stronger and live
their lives with humer, and love..as you did, you had so much
courage, through the years, and never did you complain... may God
bless you and your family....

“ As my sister Tammi said she became a Mom & a NaNa to so many, but she also was a friend to anyone who needed to talk, it didn't matter what was going on or what was ailing her, she took the time to listen... her table was a couch in a sort of way, she offered the first cup of coffee or tea and you were on your own after that. She never judged she gave her opinion and wisdom and it was up to you to go from there.

My mother had the strength that superceded anyone i knew.. We never hung up the phone or walked out the door without saying "I Love You" and maybe to some they are just 3 words to my mom it was the gospel. It hurts i had to say goodbye, but her dream came true and that was to be cancer free.

She will always be my world!!

I LOVE YOU MOM!!!!

“ Nancy was and will always be a very special cousin and person to me. She always had time for my phone call or a visit when I was the NY area. She helped me through the rough time with my own mother's passing and provided such a source of guidance, counsel and just "being there." One could not ask for a better person to have as a cousin or friend. I will truly miss Nancy but her ever endearing ways, sense of humor, genuineness and being a true matriarch of her family will always be remembered by me. She truly was in her class by herself. Love ya Nancy ... Janie

“ I just wanted to say before the guestbook really gets started that my Mom became a Mom to so many people and NaNa to so many kids. If we tried to list all the special people in her life, the list may never end. Her friendships were very special to her and we appreciate everyone who considered her a friend.
