Marilyn, Pam, Michelle, Sharon and Michael,
My deepest sympathy for all of you at this time. The fondest memories of Norb, that I have, will always be part of my childhood. He was a very friendly man, who took the time to smile and talk to me and will always have a special place in my families memories, too. What a special person to have had as a father, husband and grandfather. He will be missed.

With love,

“ *We met Norbert when our children we about to marry. He was a quiet man, but such a sweet man. He always had that big smile. He loved his children and grandchildren and so so very proud of them. I never heard him say an unkind word about anyone. He will be missed by many, but especially by the love of his life, Marilyn. Our thoughts and prayers are with you all.*

“ *I will never forget Norb. He taught me about football and hockey and I enjoyed hanging out with him. When I walked to his house, he'd always say, "Come on in" and we'd sit and watch a game. This football and hockey season will be for Norb and I'll be thinking of our special times spent together.*

It was an honor to have Norb as my sponsor for my confirmation and a blessing to have him in my life. Norb was always there for me and a very special person. I will miss him.

“ Dear Marilyn and Family - Sadness fills our hearts on the passing of Norb. Our friendship of over 40+ years has so many memories and happy times with holiday parties, cookouts, superbowl get togethers and lots of fun times. Tony would always convince Norb to get his accordion and Tony with his "beat stick" would entertain us!!! Norb was so caring and kind to everyone and would go along with anything.

These are the memories we still talk about and continue to cherish with such special friends. Wish we could be with you during this difficult time and will be thinking of you now and in the days ahead.
