

Norm Fingerlow

June 2, 1958 - May 6, 2022

Norm Fingerlow passed away peacefully on Friday, May 6, 2022, after a long battle with Alzheimer's. He is survived by his wife, of 39 years, Chris (Wells), and his children Stacey (Nicholas) Clause and Jeff (Leah) Fingerlow. His favorite role was Grandpa to Brendon Clause and Cooper Fingerlow. He is the oldest son born to the late Milton and Diane Fingerlow and brother to David (Susan) Fingerlow, Steven (Brenda) Fingerlow and Jim Fingerlow (Daniel Quigley).

He was a lifelong resident of North Tonawanda, and proud of his city. He retired as an engineer at Moog. He loved coaching football at NTAA, modified football at NT and the Jim Kelly football camp. No matter where he went, he would hear "Coach Norm" from every corner of the room. He was loved by all that met him and made a difference in all our lives. The world was a better place with him in it.

Visitation will be Thursday (May 12, 2022) from 2 to 7 PM and on Friday (May 13, 2022) from 2 to 6 PM at the Wattengel Funeral Home, 533 Meadow Drive in North Tonawanda. A Prayer Service will be held Friday at 6 PM.

“ Norm and I were early on in our working relationship at MOOG when his grandson Cooper was born. He would often share small current family events with me, and I remember thinking what a great display of pride he would show for his family. He was a true patriarch of the family, and it was my pleasure to have known him for the however brief 15 years. May his family and friends find comfort and solace in knowing he is at peace. His memory will always remain in our hearts and minds.

“ So many wonderful memories...Norm was my cousin, but was more like a big Brother to me. I drove him crazy when we were kids. I always got into his record collection and he LET me! He was always so patient and so kind. His family was everything to him. He was so proud. I moved to Nashville in 1995 and sadly, did not get to see my cousin very much. I cherished every second that I got to spend with him these past few years. I was so PROUD of him! He was the smartest person I ever had the pleasure of knowing. I loved being able to tell people that my cousin was a Rocket Scientist! He remembered me... As I write this, the tears are falling. With all of his struggles, he remembered me. It was such a gift he gave me. I loved him so much. The last time I saw him in October, he was so excited to show me and my Husband Kevin, his trains. We talked about Chris, his children and grandchildren, Moog, Jim Kelly's football camp. Our childhood memories....what a GIFT he gave to me! He gave me the biggest hug with the biggest smile and walked me out. We both watched each other and waved until we couldn't see each other anymore. Thank you for being such an amazing cousin and the big brother that I never had, Norm. I love you to the moon and back. I will miss your stories and your hugs. You will live on in the smiles of your beautiful family. Hugging them all with my prayers. Love you all so much!
