“ Our condolences go out to Norma's family at this sad time. Norma rented from our family for many years and became very dear to us. She was one of the nicest, most caring people I've ever met. I'm honored to have had her as a friend. When someone we love passes on, we can only console ourselves with knowing that a piece of them lives on through our memory. And, we have many pleasant memories of Norma. - Sandy (Gephart) and Chaz Todaro

“ My Gram will truly be missed. She was grandmother to so many. I will always hold a place for her in my heart. Rest in peace Gram and give my mom a big hug and kiss from all of us!
