“ *Grandma has been such a light in my life. Our weekly phone calls were such a bright spot for me and I will miss them dearly. We really could talk about anything and could have talked forever if she weren't always so busy!*

After hearing she had passed, I looked around the room and she was everywhere, from the Christmas cactus that I got as a cutting from her mothers cactus, to the hand towels and scrubby on my sink, to the hand made Christmas ornaments on my tree, and even the flower bracelet that she bought me for my bridal shower that she couldn't believe was a real flower (still looks almost new!).

I'm going to really miss our phone calls, but I'm so happy she gets to be with grandpa and her mom and that she is at peace now.
