“ Our deepest sympathy to Norm's entire family. We have so many fun memories of great times with Linda, Norm and the kids. Norm was always like a big kid himself and all our kids remember him with a smile in their hearts.

“ Uncle Norm, as I remember him brought back so many memories when I saw his picture. Back from my childhood I would come over with my Grandmother Vilma Mason and play with Sandy, and the boys. I remember calling all of them my cousins and playing on that fantastic player piano. It makes me sad to see him leave but I am thankful for having been a part of all your lives back then. May God bless all of you and my grandma and grandfather will be recruiting him immediately to watch over all of us crazy kids. Much love to you
