“ Al and sons...Pat passed away while I was on vacation, and I feel badly that I did not write something sooner to you... Pat was our receptionist here at DeGraff Adult Day Care, but she was so much more...she was a joker, an entertainer, a consoler and a reassuring friend to our staff, our clients and to their family caregivers. She brought her Dad here before we hired her, so she knew exactly how it felt to be a caregiver. She understood what they were going through and helped so many work through some pretty challenging situations. Pat was caring and compassionate, but she was also feisty, and said exactly what was on her mind...she was truly a "character" and will not soon be forgotten! She is missed by everyone here...and even by many she never met, but only got to know over the phone. I can't tell you how many hospital staff, community contacts and even vendors expressed their sadness when they heard of her death, but then shared a humorous story about phone conversations they had had with her. She is missed by so many. So, as I sat here this morning, looking on my board at the last photo that was taken of me and her at her retirement party, I knew I had to write something now. I miss her a lot...and, I am so glad that she came into my life.

“ Dear Al and boys. We are so very sorry for your loss. I will always remember the trips to Buffalo and the laughter Patty brought to our family. I wish Jane could have met her. We are so honored that Patty considered making it to the wedding. It would have been great to see her dance on one more table.

“ Dear Corky and boys, I am so sorry to hear about your loss. We were next door neighbors on Christiana Street for a few years. I have many happy memories about our good neighbors. I remember when the boys came home from the hospital, the laughs we had when we would sit in the yard with babies running around. I know Pat will be sorely missed. I will hold you all in my prayers.

“ My deepest sympathy go out to Al and sons! I worked with Pat at the Adult Day Care for nearly 10 years! She was a joy to work with, always willing to lend a helping hand, full of laughter, and song!! She was not only my co-worker, but a very special friend who was always there with her good advice and wisdom! We had a lot in common, Pat and I. We shared many laughs and tears throughout the years and I will miss her! She will always hold a special place in my heart!

“ God Bless all of you through this tragic loss! As a child I can remember my Mom saying that Pat and Al are coming to visit from Buffalo, then along would come the out of town car loaded with suitcases and laughter! Always with a smile and soft spoken words, Pat my Godmother, was a welcome joy. I'll miss her dearly, even if we didn't see each other much, it was unspoken the love we have for each other. God's peace be with you Al! as with all of you. Love ya - Nancy

“ My sincere sympathy goes out to Pat's family. I worked with Pat at the day care for about 4 1/2 yrs, and she was like a 2nd "Mom" to me, and I was so sorry I was out of town when I got the news, and couldn't be there to pay my respects in person. I will surely miss her funny, and inspiring emails, since that's how I've kept in touch with her over the past few yrs. that I've been gone from the day care. I love the picture of her & "Corky" on here, and I'll always remember that smile of hers.

“ I am so terribly sorry and shocked. Although I never really got to meet Patti face to face I have been her e-mail friend for quite a number of years. She and I would pass along funny materials and chat at times and we really enjoyed each other's company. I will miss her and am truly saddened that I've lost a good friend. Cherish her memories and the love that I'm sure she left behind for you. She will be in my prayers. God Bless

“ I was so sorry to hear of Patti's passing. I knew her from DeGraff Adult Daycare, as my mom, Vi Cummings, went there for 7 years. Pat was always a shining star there, with such helpful thoughts and a great sense of humor. We became friends and after my mom passed away 4 years ago we stayed online buddies. My deepest sympathy goes out to her family.
