“ Larry and I have you all in our prayers. Pat was a warm and kind person. Every time we visited, she was welcoming and easy to talk with. We so enjoyed her company. We know many will miss her beautiful spirit.

“ I remember Pat from our days at ECC for Medical Lab Tech, she was such a fun person to be with. If I recall I think I even went with her on a blind date to an old Bison hockey game. It was my first ever hockey game and I admit I enjoyed all the fights.

*So very sorry to read of her passing. I will always remember that cute little dynamo who just made things better.*

*Pat just came to mind again, in college she worked in the record dept of Two Guys right now I am listening to Chicago album and I recall they could not keep it in stock. I was always grateful that she would give me her employee discount. Funny how those memories just stay with you.*
