“ *Our deepest condolences to Jim Jr., Dennis and family. I was deeply saddened to learn that my beloved friend Pat passed away, but I take great comfort in knowing she's dancing in Heaven now. I met her when I lived in Friendship and attended the First United Methodist Church with my family. We became fast friends and her friendship brought me much joy and comfort. Even though she moved away, we kept in touch over the years through Facebook. I loved her and will miss her dearly. R.I.P. Love, Laurie and Jim Buzzard*

“ *My sweet life long friend, Pat. Part of my extended family. Your love for children was evident throughout your whole life. Always willing to lend a hand when you were able. Such a survivor of life's battles. A daughter of the King, who loved the Lord with a child like faith, always trusting in Him. Loved sharing many times and adventures with you. Your kind heart and sweet gestures will always be remembered. Love you and miss you already. Bye, for now.*

Prayers for your family.
