“ I miss my mom more than words can express. She was the most wonderful, caring, compassionate, giving person I'll ever know. She guided me through life and helped me become the man I am. I am so grateful for all of the love laughter and tears we shared. Over the years I watched my mom touch so many people and do everything and anything she could to help them or simply bring a smile to their faces. She was a true living angel among us and our world is a little less bright, but heaven has a new angel to watch over us all. I love you mom! Guy Meyers
