“ No words can explain the emptiness that has been left in my heart. You were smart, funny, and such a proud father. You had such a good heart always lending a hand to your friends in need. You will be sadly missed and I will hold dear our memories together. As I look through pictures of our life together I smile, laugh, and cry .We experienced so much in such a short time that it was like a lifetime to others. You gave me the best gift of all, Paul and Shawn. I see you in them everyday. I will truely miss you. Love you always,
Darlene
