“ I worked with Patrick when we were just associates in the Boston area. I always enjoyed hanging out with him outside of work. I still have the fondest memories of the ski trip we all took together. My heart is broken to hear of his passing and my sincerest condolences go out to his family.

“ I worked with Pat when we were all just new associates. He was the nicest guy! I fondly called him “little Patty Q” because he looked so young. This is so tragic. Strength to his family and loved ones.

“ Pat was one of my very best friends all through high school. Friday nights were laser tag and Friday's. Pat was great friend and teammate. We saw Green Day, Barenaked Ladies, and Smashing Pumpkins together (this was the 90s...). So many great memories that I will always cherish!

“ I am so very sorry to hear this. Pat was a good friend of mine in high school. I have many memories of lunches and classes together, and of course seeing him swim! I enjoyed meeting Amy at our last high school reunion and I have been heartbroken as I've heard all that their family has had to go through these past few years. Even though I hadn't seen him in a long time, I will always remember him fondly. You all have been and will continue to be in my prayers.

“ It has been a very long time since I have seen Patrick but I was privileged a long time ago to be his coach. Great worker, great competitor and great kid. I remember getting stuck, in Syracuse due to a March blizzard and then going back to Syracuse the next weekend so he could win the high point award for the meet. He was very driven and I am not shocked at all to see the success he had. Please accept our condolences.
