Paul P. Ebert born July 26th , 1945 died September 10th, 2025. Paul is the beloved husband to Penny (Nowark) for 55 years. Paul was a warm, loving and carefree person; He was game to try anything except skydiving. He loved his tools and toys. His motto was “if you have one tool to try, having 2 is better, but he preferred three”. Paul was always first to helping others; no job was too big or too small.
