“ We (The McNaughton Family and Harding Family) are so sorry we werent notified of Peters death. He was loved by our families and we all would have attended his funeral services. He had a beautiful smile that we are sure radiates in heaven. Peter had a heart of gold and would help anyone, anytime. We always missed you Peter after you moved away.

“ My prayers and thoughts are with his family, even though, i was unable to attend the service.

I will always remember Pete as a very patient, attentive and kind stepbrother from his time spent with his extended family when i was very young. He will be greatly missed by all.

Love and Prayers,

Annie
