“ *Pete my friend, it has been a long time. In fact, it has been years since we last spoke. Though you are gone I know you are in a better place. When I look back over my years and remember the people I have encountered I have always counted yo among the finest. You were an outstanding human being. The type that leaves a lasting memory and my life was better for having known you. Rest in peace my friend.*

“ *To the Sikora family;*

The sudden death of Peter was a big shock to us. May his soul rest in peace. Our thoughts & prayers are with you during this difficult time.

Eventhough we didn't know Pete for a long time, the few times that we had the opportunity to converse with him, he was very pleasant, so upbeat and with so many plans for the future. Made us feel very welcome to the neighborhood. There's nothing we can say that will ease your pain, but we just wanted you to know that we are thinking of you.

Please let us know if there's absolutely anything we can do for you.

With heartfelt sympathy,

your neighbors from Payne Ave.

“ *Mr. & Mrs. Sikora and Family- I am so very sorry. Words cannot be said for just how lost I am after losing Peter. He will always be in my heart and I am lucky to have the memories I do of him (first boyfriend & first kiss). You & I and many, many other people are lucky to have had him in their lives for what seems like such a short time. We often let the monotony of everyday activities get in the way of the really truly important things, Peter's passing reminds us to never let a day go by without telling the people in your life just how much you love them. And for this, I am thankful.*

“ *My deepest sympathies to the entire Sikora family. Words cannot describe how saddened I was to hear of your passing. Since I met you and Jeff back in 1998, I immediately bonded with you guys. I thought you were great guy with a strong zest for life. You were always so much fun to be around and you put a smile on everyoneâ€™s face. Your great personality was so infectious as it always made my friends and I feel welcome when we visited. My wife Tiffany and I will miss you so much. God Bless.*
