“Pete was always there for me when I worked with him in Prosthetics. He would always wave and say hi too if we saw each other around the neighborhood. Good man. Always makes you laugh. <3

“My sincere sympathy to Melanie, Ava, Jay, and Dex. I have a fond memory of Mr. Heuser coming to my classroom when one of his children was in my class. He did a demonstration of the kind of work he did. The students and I were fascinated! I am so sorry for your loss. Jackie Woodley

I am so sorry for your loss. I worked with Pat and knew Peter from North Tonawanda HS as his counselor. Pat was so sweet n wrote a poem when I got married. Peter was her pride n joy n so funny. Sadly I didn't know he worked at the VA which I frequent with my husband. I would have loved to see him and hear about his work n family. I am so very sorry for your loss. I know you will always cherish your memories and enjoy your beautiful family. God bless you.

“ We worked closely with Pete here in the Physical Therapy dept and he was the king of shenanigans, causing chaos and a lot of laughter! It was never a dull time when he was in the room. His sense of humor will be missed. We will be praying for all of you.

“ When Pete first came to the Buffalo VA, he worked in the OR. Skilled tech with a great sense of humor. We laughed with him at lunch when he removed his "flapper" to eat. During the summer, my husband and I would visit his parents at their cottage in Canada. So many memories. He will never be forgotten. Pete was truly one of a kind. Deepest sympathy to his family and all who had the privilege of knowing him.
