“ My sincere condolences to the entire family. Phyllis/Phylska was my 2nd mom in high school and I have never forgotten that even though I've been gone over 40 yrs yrs and live 3,000 miles away. You were a wonderful, loving, caring person even though I/we weren't your kids. I can still remember your laugh. I will always continue to think and remember you and Stanley/Stachosz and Steve. Please give them a big hug and kiss for me. All of you will never be forgotten.

“ Gram was the strongest woman I have ever met. She was also the most stubborn, but I loved that about her too. She taught me about what is important in life, FAMILY. She didn't just care for her blood, but welcomed every person into her home with open arms. Family over everything else.
