“ Dear Ray and Ramona....my deepest condolences! When I moved back to NT eleven years ago into my old house on Rosebrock Street, I loved when your dad would stop by and talk to my mom! He always made us smile! May he rest peacefully and may all your memories help you through.

“ I don't know what to say except that Ray was one of those guys who may only come around once in a persons life !!!!! With Ray u got what you got A Great guy well rounded who could talk to anyone from heads of state to the homeless guy on the street and had the ability to make them all feel equal!!! I know for me & my family we will miss Ray so much a man who gave so much of himself to others & really didn't ask that much in return except for your friendship !! Also Ray always had a great joke to tell you . We will miss you Ray but Im sure we will all be together again someday .

“ Our family will miss Ray dearly. He always helped to start the holiday season at Ghostlight Theatre. The kids always looked forward to seeing him after the play to share cookies and wish everyone a Happy Holiday Season.

“ *To Ray's Family,
Your dad was a true angel to the kids at Camp Good Days. The Christmas party with St. Joe's swing band and the Night at the Ghostlight Theatre are many treasured holiday memories for my kids. The Golf day with water bottle fights and crazy cart riding always started off their summer vacation with a smile. Thank you Ray for giving my family such happy days and special times. I pray that your family will hold memories of your kindness close to them and I hope that those memories help to mend their broken hearts. You were and are now a true angel. We will miss your smile and your great spirit.*
