“ I will forever remember Richard and his many jokes, his love for life, his family and yes, gambling!!! He loved life and he gave everything he had to fighting to beat his illness. I cannot walk into Pleasantview without the memory of the aromas of something cooking in the kitchen, some concoction that Richard was putting together. He talked about his mama's sauce many, many times and said he would cook it for me someday! He was quite the cook. I know that Richard will be finding casino's and lottery tickets to play and yes, especially steak hoagies!! I have a special canvas cross Richard made on my refrigerator, I think of him each time I see it and will cherish it and my memories of him forever!! Karen, Tom, Papa and Allison, my thoughts and prayers are with you and your entire family at this time. Richard loved you all very, very much and he was such a special man because of the love he received from each of you!

“ Richard was such a fun person to work with. He always made me laugh. His jokes and sense of humor will never be forgotten. I know that he will find a casino in heaven and hopefully be cruising to the Bahamas in the clouds. Love you Rich!!
