“ Dick and Joan have always provided such a warm welcome to their Texan brother and me his wife. I remember Dicks love for Hockey, for the Buffalo Bills, for singing O Canada in some foreign language I could never figure out, for Polka music, for laughter and big smiles, for joking around with my husband, Marsha, for the love of his girls and pride he had in them. He was really just a great guy and yes he was very loved and will be missed a ton.
