“ Here's to an indomitably spirit whose outlook on life and friendly personality made an indelible mark on me and many others, I'm sure. We could certainly use a few more Richies in the world these days.

My deepest condolences to Zip, Dave and the entire family.

“ Dave, Jim, Susie, Connie and families. My deepest sympathy to you all on the loss of your father. I have fond memories of your dad, his sense of humor, and his funny stories of courting your mother. He always had a smile, no matter the circumstances whenever we met. I will always remember the happy family times we spent together. God bless you all as you remember his love and caring.
