“ *Like so many, we met Rick through hockey. He took pity on me during Thursday night old man hockey at Brighton, and we shared many a laugh over beers and wings later at the Raintree. He was always respected by the kids as a coach, and always found a way to laugh at even the most ridiculous situations around the rinks. A real gentleman, he will be missed by so many. Condolences to his entire family and wide circle of friends.*

“ I was saddened to learn of the unexpected passing of Rick. My go to mechanic right down the street who was honest and knowledgeable and just a great guy to talk with. The many tributes tell the story of a person who was well liked, respected, and who really made an impact in the community. Rick will be truly missed. Wishing Rick's family our sincerest condolences on their loss. Rest in peace Rick and God Bless.

“ To the dear McCumber family,
We are so very sorry for what your family has to go through losing Rick, one of the good things to happen with his death is that even in death he helped many with his life donation, because of his generous nature in life. He will live on in others always. Please know your family is in our hearts, and prayers in these coming days our hearts go out to you all
With much love,

“ My condolences to the Schumacher Family. Rick had the biggest Heart and Smile there was to see. A Great And Special Friend to me when I lost Karl. He went out of his way to take care of me. They were very close friends. We use to watch him race. I will never forget the Great Times we had together and the rides in the Vet for Ice Cream. You were One Special Guy that I had so much Fun with at the garage and Our Talks and Laughs. I have many Great Memories of You that I will cherish forever. RIP Rick. Fly High With The Angels. “ I am so sorry for the loss of Rick. My heart breaks for the entire Schumacher family, especially his sons, "daughter" and his grandsons. He was their hero. Joe and I both loved being able to talk with him. It never mattered the subject. He always had a smile. To have known Rick was a gift I will always treasure.

“ Rick will be missed by so many. It’s rare to come across such an honest, truthful, trusting person. He was just telling me how he’s ready to slow it down and how his grandchildren were “the best”. I feel lucky to have known him.

“ What a guy! I met Rick through the crazy convoluted world of hockey. He formed great relationships with the players and knew exactly how to navigate the never ending politics. He was a steady force for everyone at the rink and in the community. May you rest in peace, Rick, you deserve it. Thank you for all that you did and the support you gave along the way.

Sorry to hear about Rick's passing. Condolences to the family. My elderly father, who passed away several years ago, liked to go there for repairs and always recommended him to family and friends. He was the shop to go to for yearly inspections for myself, my brother and his son's. He will be missed.
