“ My most memorable time was When Dick & I (just kids out of school) took Dick’s motorbike on a test run out to Cevaer’s farm out in Wilson. Going down Baker’s hill was a real thrill but coming back at the end of the day , I had to walk up that hill while Dick struggled to drive his bike back up that steep hill. Cousin Bob Soos”

“ Soos had a wonderful spirit and sense of humor. He was a great friend to my father Dave and had a very special way of making everyone he met feel special each and every time he spoke with them. I saw him for the first time in many years this spring and was very thankful for his continuing friendship to our family. He will be sadly missed.
