“ So glad you and my Mom had reconnected. She hadn't been as happy (in a long time) as she has been this past 6 years - and that's because she had you to spend her time with. Thank you for that. And thank you for being my stepfather - even though I probably didn't appreciate you like I should have when I was a pain in the butt teenager. Thank you for everything you've ever done for me and for making my Mom so happy. You will be missed. Rest In Peace.
