“ *It pains me greatly that I cannot be there to help console my cousins and their loved ones in this time of sadness. I will never forget the times when Uncle Bob came to visit us up in Midland Ontario as I was growing up. He always had a beautiful USA made Pontiac. One in particular, as I recall, was a crimson Grand Prix with all the bells and whistles. You guys stateside always seemed to have better available options than us Canuks. Uncle Bob would want to go golfing and I was his caddy. He was such an imposing figure and he could hit a golf ball a mile. I loved to see how happy my mother was whenever her brothers would visit. I know she is sad for our loss but now she is together with her brother again.*
