To the Considine Family: I am very sorry for your loss. Bobby was "a big kid" as I remember him, as he was about 7 or 8 years older than me. I can still see the kid in him in the photos. I remember Kevin and him jumping around on a trampoline in their back yard. Those were the days. I can only picture him smiling with a twinkle in his eyes. He had a kind spirit. Little kids know. God bless you all
