“ Linda & Ricky, I'm so sorry for you and your family's loss. Bob & I worked together for 16 years, started at Maplewood a month apart. Whenever I needed something, he loved to tease and act like he didn't have time but ALWAYS came through. I'd tell him he was like Shrek ... only in a Maintenance disguise. He had a giant heart. When I had my terrible car accident he offered to come over and mow my lawn and help me with anything I needed around the house. A genuinely good guy.... I'll always remember him fondly. RIP my friend. 🥹🙏

“ Bob was the best! He was a great director of maintenance at Maplewood (now Elderwood)He knew all the residents and visited them often joking with them. He left big shoes to fill when he retired. Great family man and I know he'll be missed. Rip dear man.

“ Bob was an amazing man and boss. I worked for him for 3 years at Maplewood and taught me so much. I never would of been a Director of Maintenance of my own Healthcare facilities with out his mentorship. My fondest memories were always when the chips were down and Bob always knew how to rally th troops and bring us together as a team. There is no other man I would of done so much for. He will be missed and one day I hope to see him again one day.
