“ Dad,

Words seem so inadequate to express how much you have always meant to me. I will always remember the times you used to help me with my homework, especially science projects; the radiant smile you had when you gave me away on my wedding day; the gleam you had in your eyes each time I would return home to visit; and I will cherish all the wonderful cards you sent me over the years. Most of all I will remember your love for Mom and each of us kids. I am so proud and thankful to have you for my Dad. Your Loving Daughter, Barbara

“ Dad:

I know life wasn't fair after Mom left us but you always were strong and steady. I will miss you with all my heart but also rejoice in knowing that you are with Mom the lady who you admired and adored with all your heart. I am happy in knowing that the both of you are together now and will be forever.

Your Loving Son,

Dave
