“ I was stationed with Scott at Griffis AFB. At the event tonight there was a mystery around his job while in service. We worked as Telephone Central Office - Inside Plant technicians.

“ *I used to stay overnight and play with the Regan boys and Renny too! I graduated with Jeff, just ahead of Scott and a year behind Timmy. Man we had wild times... Even while we were Boy Scouts we always found a way to get into the woods and rustle up some snipe! My heart to goes out to his family.*
