“ To the Scheller Family...I was deeply saddened to learn of Scott's passing. So many fond memories of my youth – and some of the biggest laughs – were times spent with Scott. He was a dear friend and I wanted to express my sympathies to all and please know that you are in my prayers - and that he is in my thoughts often, and especially at this time.

“ To the entire Scheller family my heart felt sympathy for your loss. Scott was a great childhood friend and I still have many laughs looking at old photo's from our adventures to Canada, Allegheny, Myrtle beach and many more. May God ease your pain and keep you all well.
