“ *Mary & Coleen:*

So sorry to hear about your mom. It has been a good many years since I have seen her, but think about her and your families when I am doing the genealogy. I'm sure you will all miss her dearly. We have your all in our thoughts and prayers.

Love, your cousin, Karen

“ *Coleen, Mary and family,*

Although I haven't seen you in years, I took one look at your mother's mothers picture and broke down in tears. She was the only one who understood us "teens" and was always there for us. I will always remember the great times we had. I am so, so sorry for your loss.
