“ I was very saddened by the news of Mrs. Angelo's passing. Although we were no longer next door neighbors, I will always remember her with a smile on her face. I know what an important person she was to those who loved her. May God be with your family as you journey through this difficult time. With love, Lindy Colegrove

“ Sue has been a wonderful neighbor for over 30 years. Our children have grown up together and we share many great memories, including one joint outdoor graduation party for our daughters that just rained like a monsoon! I swear it wasn't my fault! But Sue will be greatly missed by friends and family and we pray for the whole family as they grieve this enormous loss. Love and prayers to all. Lynn Habermehl
