“ Matt , Sean & family~ Over the last few years Sue & I became good friends and she always talked so highly of her family. When she became sick she explained that everyone has an expiration date, she just knew when hers was. Sue handled herself with such grace and humility, I will truly miss her friendship.

*Dearest family of Sue,
My and Dick's thoughts are with you as you mourn the loss of your beautiful Susan. I met her when she married Alan but it wasn't until I moved into her community that we became good friends. She came by on her bike and stopped to welcome me. I loved receiving the cards she sent that always were of Cardinals because that's my street name. She was real sweetheart and so very brave to handle herself as she did. It won't be the same here without her.
Love, Dick and Shirley*
