“ *As I did not know your mother personally I send my prayers to you all. Lynn is a good friend of mine and as such my heart goes out for your loss. I know this is a very trying time for you all and in your own ways are showing your grief. Love one another and hold on to your family as this is who you all are. A little piece of your mom is in each of you to share with one another. Love long and strong and live well. Again my deepest sympathy for all of you. God Bless.*
