“ *Very sad to hear Tom Neddy has passed. My condolences to the family and friends who know this kind and caring soul. May he pass through the gates of heaven and be united with all those wonderful souls and our father in Heaven. Tom was my dad Edward Joseph Hayes' lifelong best friend since they were youths at the Military Academy.*

“ *I have known Tom since 1956 and over the years he has remained a kind and caring man. He did not easily share his feelings and spent much time in his latter years without family i He missed his daughter and never really got the opportunity to enjoy his grandson. Siblings are scattered throughout the states which also made visits difficult..
I will miss our talks and his friendship
