“ I was truly shocked and saddened to hear about Tom's passing. I've known Tom going back to where he offered me a job at Rainbow Transportation in City of Tonawanda about 2008. Over the years, we would work together at Transpo and then I almost went to NT. The last time I ran into Tom was when we were both coincidentally heading EAST on the 90 a couple of years ago. What a surprise it was to run into him at a rest stop as he was on his way to Cooperstown and I was on my way to NC to visit relatives. I gave him a hug and that was the last time I had seen him. He was very excited about his trip and I will always remember him as a happy person. I will always be grateful for Tom for offering me that bus driving job in Tonawanda. It was working with him and a few others that I came to enjoy being a bus driver for the 12 yrs that I drove. Great person overall and always had a smile. He will be greatly missed. God Bless you Tom and your family.

Sincerely, Laura Fire
