“ I remember whenever Tiffany would come to Buffalo I would make a pot of coffee and Tiff would disappear and come back with a large Tim Horton's- she loves her Tim Hortons. i remember getting the call from Tiffany from Chicago saying Sar was in the hospital with Food poisoning but she would watch over her and she certainly did- stayed with her every second giving me updates Along the way! i remember her gift to talk and there was never a low. i remember her contagious laugh and her never ending love for her Grandparents and her Grandma's good polish cooking! i remember her artistic ability when she presented me a picture she drew of Bill and I at Niagara falls from a photograph i had! Tiffany you were a little firecracker your light will shine on in those you touched- Fly high you pain is gone now! Love Mom & Dad McCarthy

“ *A lot of people don't know this but....
Me and this girl got married
We vowed and promised to be friends forever and we cleverly took each other's last name
She was my Tiff hunny Bunz Jablonksi Robinson
And I was Shay Shay hunny Bunz Robinson Jablonski
In addition to being friends for 11 years for the past 2 years we were neighbors we took care of each other. A piece of me now lives in heaven and while she resides elsewhere she will never be forgotten*

ME

“ *Tiff gave me the most memorable interview ever in 29 years! When I asked "what do you do to prepare yourself for a busy shift?", I have asked this a hundred times before. Tiff looked at me with a straight face and said "tie my shoes really tight". I was pretty confused by that answer so I asked why and she didn't miss a beat, she pushed back her hair, leaned in across the table and said "cuz I'm about to run my ass off". She was hired on the spot and I consider my self lucky to have had met such an extraordinary woman! Her spirit will be missed by many.*
