“ My heartfelt sympathies to Tracy's family. Although I haven't seen him in many years, I have thought about him often! He was like a giant teddy bear! I remember times at Parkside bowling alley, at his house when I was there with Colette, and around town. He was always the same, just a super nice guy, no matter where he was! You'll be missed Tracy, but most importantly, you will be REMEMBERED! Rest in Peace.

“ I am so sorry for the loss of My Dearest Cousin Tracy. You were such a kind person. My fondest memories were Thanksgiving time at your house when The Boys (Ronny & Kevin) were young and you would take them and keep them occupied with games and other things so I could enjoy my time visiting. And while we live in Florida we would come visit you at the Trailer and you would take them on golf cart rides. To His Sisiters I am wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your heart. My thoughts and prayers are with you. Hugs, Cousin Cindy Schenk Filipowicz

“ Tracy became one of my first ATTA friends when I joined the group 2 years ago. I knew most of his toons and it never amazed me how quickly he could build his toons and yet be of such great help to others. Tracy was skillful player and someone who I always knew would say hi to me at any gathering. I will so miss him.

“ I was glad to have been able to meet Tracy in person, shortly after moving East from California. I felt bad that he wasn't able to get around easily, mostly due to medical issues, and I wanted him to know his friends care. I wish I could have visited him at least one more time. I'll miss Tracy. Condolences to his family.
