“ I'm so sad to have read about Velda. Terry and I had intended to visit when we were in the area, but you know how that goes. Now I will have to wait to see her in "soul."

What a good lady she was! She loved her family so much and was so proud of each and everyone of you.

Life has been good for me so far. I'm back to where I was before getting sick. Velda really did help make my rehab stay bearable. I did enjoy so listening to her talk about family, recipes, and life in general. She was so keen on all. We had so much fun gossiping about hospital staff, wheel chair trips to coffee hour and to the activity room.

My thoughts are with you,

Betsy Payne

“ So positive, upbeat and caring. A great role model reflected and carried forward in her daughters. No doubt the card game goes on in heaven-- with great joy, enthusiasm and laughter.

“ I am truly going to miss my Aunt Velda and her laughter. As I have shared with my cousins, the "James Family" had a wonderful sense of humor, were full of joy, and were proud of our families. We are certainly blessed to have fantastic role models. I love you all very much!
