“ To Victora's Family so sorry for you lost of a TRUE loved one. I did not know Victora, but knew Her husband John very well, as the rest of His Family. As with John many of us knew him through the Ellicott Creek Fire Co. I go back knowing the, gentle giant as some of Us called him, back in the 73-74 time frame. I learned a lot through this man and if He was as I remember him back then a true compassionate and honest man.

Which I'm sure with unfortunately the short time She had and the Family did with knowing him, She and their children knew also the same with him. Now they are together and remember to all those left behind, know they are united also in your Hearts to watch over you, and when you think of them the deep love is there for those remaining too. I'm

sure they were a great and loving couple together, Now they rest in Peace.

“ I’m so sorry We can not be there in person to convey our heartfelt condolences. Though we may be far away, know that our spirit and prayers are with you. We pray that the strength of the love that you and your family share for each other and for Vicki will get you through this difficult time. May that love honor her memory and may you cherish the time you had together. God’s best to all, Barbara Bland & Riley VanHorn
