“ *I had the privilege of knowing Ginny through our work at Niagara Falls Memorial Medical Center. I was a new graduate nurse when I started on A 4 and began working as the 3-11 charge nurse. Ginny filled in on the days I was off duty. She was a truly dedicated, kind, caring, compassionate and excellent nurse. She was a wonderful role model for all of us and was always willing to offer guidance and instruction especially to me as a new RN. In addition, Ginny was always very understanding about our schedules and was so considerate with regard to holiday scheduling. I was blessed to work with Ginny and a wonderful group of afternoon staff during the years I worked on A4. I send my sincerest condolences to her husband, children, grandchildren and great grandchildren all of whom were the light of her life.

“ What a good friend Virginia has been to me through the decades! She was someone that I could call upon for help at any time. One night when my son was a young teenager, she drove us to Children’s Hospital when he had problems with his spleen. Another night, it was after 11:00, and she drove to my house to help me with a procedure with a cyst on my husband’s back. She was such a good listener! We would sip strawberry milkshakes in the car sitting by the Niagara River. I could tell her anything, and she would listen, and if I asked for advice, she gave me wise advice. We prayed for each other and for each other’s families. She was a good hostess for her children’s friends, and she thought of others when their families were going through troubled times. Many of us have been the recipients of Ginny’s coffee cakes when we needed comfort or when we were celebrating special occasions. Jan, kids, grandkids, and great-grandkids, Virginia loved you, and I am so blessed to have had her in my life. Kathy Nagel

“ Mrs Reeves was my neighbor when I was growing up in Wurlitzer Park. I use to babysit her children.

She is one of the reasons why I became a nurse. She was such a giving caring loving person and very professional at all times. I'll always remember her coming home in her white uniform.

She never had a mean thing to say and always found the good everybody.

I am speaking for the medical community, she was definitely the epitome of what a real nurse should be. I could only aspire to be as good as her. My prayers for the family and the loss of an amazing woman, mother, grandmother, great grandmother, wife, neighbor and friend. May you rest in peace and walk the streaks a goal with my parents. I know they're having some good times up there right now laughing about the neighbors dog Toto attacking everybody. Praying for God's love to embrace this family. ❤️🙏
