“ *In 1963 Vivian and I had our picture taken together for posting in that year's Charlotte High School yearbook. The picture was for The "Best Smile". If the year book image and her graduation picture are displayed please note that she was most deserving of that title. She smiled even with her eyes! Weâ€™ll miss her.*

“ Mom, I am going to miss you so very much and I keep praying for God to give me the strength to get through the next few days. You were the best mother anyone could ask for. I hope you and dad are celebrating together and know how much we love you both. The "whole world". Until we meet again.... All my love
