“ Dear Bill's family and friends,
I still have memories of good times had with Bill and his cousin to Don Allen. We were good friends throughout our high school years. I had hoped I would get to see him once again. Alas. He was very much loved by Don's family. I hope he is resting in peace now.
Most sincerely, Karen Lee Carroll

“ Dad, You met Mom when I was such a little girl and you have always been my Dad. Any man can be a father but it takes a real man to be a Daddy. You have always gone out of your way to help others. You loved all of the Thruway staff and served them selflessly. You have so many accomplishments and we are so proud of you. I miss you already. You always taught me so much and I've been able to use everything you taught me. You have such an amazing love for your family and your cousins, nieces and nephews. Thank you for taking such good care . We grieve with Hope, we ache for Hope because we know this is not the end. You are home free now Dad. You have the ultimate healing. Love, Kelly

“ When the girls were young and the ice cream truck would roll around I would sometimes buy them an ice cream cone and other times give them a freezie pop from our freezer. I remember one time in particular that I wasn't going to buy them one. As the neighborhood kids started lining up at the truck Tara was crying. "Mr. Bill" felt bad for her and bought the kids a cone, what a soft heart ❤️. Bill was always willing to offer John advice on a project or lend a helping hand; you couldn't ask for a better neighbor. Rest in peace Bill, you left us too soon. Hugs and prayers to Sharon, Kelly, Bill and rest of family.
