“ This message is for Bill & Brian from Randy Kujawa.
Sorry to hear about your Dad. I see the resemblance in your Dad's picture.
It's been many years since we last saw each other. You 2 were great friends and co-workers. The old days were great. Things aren't the same anymore. I remember when Roger Storm took the tab at one of our parties and when leaving told me to pick up the tab for remainder of night. I think it was close to \$400 Bill I gave him. Wow- fun night. Roger Storm has since Passed. I believe it was Asbestosis.
My wife Mickey and I still live on Grand Island and are retired. Our 2 children have blessed us with 6 grandchildren.
Mickey and I hope you 2 and yours are happy and healthy.
Merry Xmas and Happy News Year for now and many years to follow.
You guys were really good friends!
