“ I have several good memories of Uncle Bill. Many from his visits to PA and others from when I visited NY. Recently, my favorite memory is when we would sit on his swing and talk. He will be missed.

“ *Uncle Bill will always hold a special place in my heart. I will always remember going to NY on vacation when I was a little girl. It seemed so far away but I felt loved and safe with Uncle Bill and Aunt Noreen. And when I grew up and had kids of my own, Uncle Bill's sense of humor entertained the boys. He always teased Brandon and called him "Sam." Brandon is 45 and it's his favorite memory of Uncle Bill. RIP*

“ *He was a wonderful man who I admired greatly. A man who served his country and provided for his family through hard work. From a generation of men that made North Tonawanda great!*

Tina, Pat, & Sam, we are so sorry about your dad and grandfather. I loved seeing him every Monday at Northgate when I took him communion. He would tease and I would tease him back. You are in our thoughts and prayers.
