“ Nancy....Sending my thoughts and prayers to you, and the entire Weigand family, and sharing in your loss. I have fond memories of Bill from Kennedy High School, and through our "mini" reunions! Last year was the last time I spoke with him...he was always such a "gentleman," in every sense of the word! He left a beautiful legacy for his family...may he rest in peace in Jesus' arms.  
With deepest sympathy,

“ I will always remember Billy with a Bir Smile on his face. No matter what. I especially cherish the friendship that I had with Bill that started at Seymour School in North Utica and stretched a lifetime. And I will never forget the look on Bill's face when I popped out of no where to visit Bill at Fort Bliss in El Paso, TX back in February 1972, and then we toured the area for several happy days. Bill you will always be in my memories.

*I worked with Bill 30 years, I don't think I ever heard a bad word about him. I don't remember him ever even getting angry, no easy task in a frustrating job. He was well liked by all, and loved by many. He genuinely cared about his co-workers, and genuinely wanted to help the clients he served. His sense of humor always brightened the day. He faced cancer bravely and without self-pity, and put up a heroic fight many, many years. He was truly a special guy.*
