“ I worked with Ziggy at EFS, including teaching a shop class in Ziggy's basement area. Ziggy was personable, funny and had a photographic memory as a bartender at faculty parties. I am sad I will never share another day with such a fun guy !

“ I first met the Great cousin Ziggy when he “rescued “ us near the Niagara river. Kathy and Ed were on our boat and we ran aground. Somehow Kathy got a hold of Ziggy and he came to tow us back in. He was very gracious with a good amount of teasing! Ziggy always asked about my son Mark in the USMC whenever I saw him. Told me to tell him to stay safe. He also made me my first Mojito, the best I ever had with extra muddled mint! He got me to like sausage and jerky too! Thanks Ziggy for touching my life. I pray you are at peace. Many wishes for strength to Ruth and your family. Sincerely, Kit Anglum

Ziggy, you are imprinted in not only my childhood, but that of every person who walked into the doors at Elmwood Franklin. You not only brought your incredible sense of humor, but the love from your heart truly radiated into every crack and crevice in that school. I receive the news about your passing with a broken heart, but something tells me you are the most magnificent angel. You certainly were the most magnificent man. May you fly with the wind Ziggy. Thank you for touching my life in such a profound way.
